Waterscape A312

Welcome to Waterscape A312!

Waterscape A312 is located on the Florida Panhandle in the Destin/Ft. Walton Beach area in one of the most popular resorts on the Gulf Coast. We are a 2 bedroom, 2.5 bath condo with all the perks you'd expect from a 5-star resort, plus many that you haven't yet considered. Waterscape A312 is on the third level in the A building and is located in the desirable "inside" of the U, only 6 units back from the beach. We are conveniently located in the resort, being the first unit to the parking garage, elevator, AND pool entrance. This unit offers two master suites, which are perfect for traveling with extended family or another small family. The living room and both bedrooms open to the spacious, sun-kissed patio which includes seating for 4, two lounge chairs, and a deck box filled to the rim with beach toys and floats.

A312 boasts a fully-stocked kitchen making cooking-in a breeze (but of course, cooking is optional!). The living room has a sleeper sofa that converts to a Queen size tempurpedic-topped sofa bed, a love seat, and an HDTV in case you need to spend some down time indoors.

A312 is fun and elegant too. It has been carefully designed to feel like home. We have selectively stocked the condo with things you need, but nothing you don't. We offer 4 beach chairs, a large 8' umbrella, and a beach cart to provide front-row beach seating at your leisure. This equipment is also handy at the pools, as sometimes vacant chairs can be difficult to come by. We furnish an all-terrain wagon for your little ones, a pack-n-play, high chair, and a variety of other items to make your visit a breeze. These are a few of the details, but I don't want to spoil all the surprises!

Waterscape A312 has a fun flamingo bunk room that makes the kids happy to climb into their sleeping quarters. Our bunk room features a light-blocking and sound-insulating curtain, making sleeping in a breeze. This unit sleeps 8 people comfortably.
