Waterscape C203

Waterscape's BEST RATED, ground floor condo!

Waterscape C203 is located on the Florida Panhandle in the Destin/Ft. Walton Beach area and is one of the most popular resorts on the Gulf Coast. We are a 2 bedroom, 2 bath condo with all the perks you'd expect from a 5-star resort, plus many that you haven't yet considered. This condo is on the ground level, so you can enjoy the convenience of stepping off the patio and being on your way. We are located in the desirable "inside" of the U with beautiful views of the palms, pools, and landscaping beyond. Waterscape C203 is actually the BEST-RATED condo in the entire resort!!

Both the living room and the Master bedroom in this unit take full advantage of the ground-floor walk-out convenience, and open to a spacious patio that includes seating for 4, two lounge chairs, and a deck box full of toys and floats to ensure you are fully equipped for a good time. We offer a fully-stocked kitchen making cooking-in a breeze (but of course, cooking is optional!). The living room has a full-size sofa that converts to a Queen size tempurpedic-topped sofa bed, a love seat, and an HDTV in case you need to spend some down time indoors. Our dining area features a large table (with a leaf under the bed) to accommodate your whole gang.

C203 is colorful and classy, offers a beachy charm, and feels like home. We have selectively stocked the condo with things you need, but nothing you don't. We offer 4 beach chairs, a large 8' umbrella, and a beach cart to provide front-row beach seating at your leisure. This equipment is also handy at the pools, as sometimes vacant chairs can be difficult to come by. We furnish an all-terrain wagon for your little ones, a pack-n-play, high chair, and a large selection of beach toys. These are a few of the details, but I don't want to spoil all the fun!

Waterscape C203 has a really cute bunk room, taking advantage of colorful lighting that puts you in the right mood and makes the babes happy to climb into their sleeping quarters for a good night's rest. Our bunk room features a light-blocking and sound-insulating curtain, making sleeping in a breeze. This unit sleeps 6 people comfortably.
